Annual Written Plans

The twelve plans CARF expects to see written, implemented, and reviewed

DRAFT - the CARF section map behind this document has NOT been checked against the purchased manual. Set manual_verified: true before use.

Program: Community Integration
Generated 2026-09-05

Why these twelve

CARF does not just ask whether you have a policy. For these areas it asks for a **written plan** -- a document with objectives, named owners, dates, and evidence that it was reviewed and acted on. A plan dated more than twelve months ago is treated as no plan. A plan with no documented review is treated as no plan.

These are templates. Everything in [SQUARE BRACKETS] is yours to fill in. A template handed to a surveyor with brackets still in it is worse than no plan at all.

Contents

#	Plan	CARF area	Cycle	Approved by
1	Strategic Plan	1.C	Reviewed annually; rewritten every 3 years	Board of Directors
2	Risk Management Plan	1.G	Reviewed and updated at least annually	Chief Executive Officer
3	Health and Safety Plan	1.H	Reviewed annually and after any actual emergency	[FILL IN: Safety Officer]
4	Business Continuity and Emergency Operations Plan	1.G / 1.H / 1.J	Reviewed annually and tested at least annually	Chief Executive Officer
5	Technology and System Plan	1.J	Reviewed at least annually	Chief Executive Officer
6	Accessibility Plan	1.L	Reviewed and updated at least annually with documented progress	Chief Executive Officer
7	Cultural Competency and Diversity Plan	1.A	Reviewed at least annually	Chief Executive Officer
8	Corporate Compliance Plan	1.A / 1.E	Reviewed at least annually	Board of Directors
9	Financial Plan and Budget Narrative	1.F	Prepared annually before the fiscal year; reviewed monthly and quarterly	Board of Directors
10	Workforce Development and Succession Plan	1.I	Reviewed at least annually	Chief Executive Officer
11	Performance Measurement and Management Plan	1.M	Reviewed at least annually	Chief Executive Officer
12	Performance Improvement Plan and Annual Analysis Template	1.N	Written at least annually	Chief Executive Officer

Strategic Plan

CARF area	Review cycle	Approved by
1.C	Reviewed annually; rewritten every 3 years	Board of Directors

1. How to Use This Template

Everything in [SQUARE BRACKETS] must be replaced with your agency's real answer before this plan is signed. Do not delete a section. If a section does not apply, write why in one sentence — a surveyor accepts a documented "not applicable" and rejects a blank.

2. Mission, Vision, Values

Mission: [ONE SENTENCE: who you serve, what you do, why]

Vision: [WHAT THE COMMUNITY LOOKS LIKE IF YOU SUCCEED]

Values: [3-6 VALUES; recovery, choice, and lived experience should appear]

3. Inputs Used to Build This Plan

Record the date each input was gathered. A strategic plan with no documented inputs fails 1.C.

Input	Source	Date gathered	Key finding
Expectations of persons served	Annual Input Analysis Report	[DATE]	[FINDING]
Expectations of other stakeholders	Stakeholder survey	[DATE]	[FINDING]
Community need and demographics	Guilford, Forsyth, Alamance data	[DATE]	[FINDING]
Regulatory and payer environment	Payer bulletins, state rules	[DATE]	[FINDING]
Financial position and projection	Budget and financials	[DATE]	[FINDING]
Technology capability and need	Technology and System Plan	[DATE]	[FINDING]
Workforce supply and turnover	Workforce analysis	[DATE]	[FINDING]
Risk profile	Risk Management Plan	[DATE]	[FINDING]
Performance results	Annual Performance Analysis	[DATE]	[FINDING]
Competitive environment	[SOURCE]	[DATE]	[FINDING]

4. Strengths, Challenges, Opportunities, Threats

Strengths: [LIST]

Challenges: [LIST]

Opportunities: [LIST]

Threats: [LIST]

5. Strategic Goals

Every goal needs a measurable objective, a named position, a date, and a resource line. A goal without those four is a wish.

#	Goal	Measurable objective	Responsible position	Target date	Resources needed
1	Achieve CARF accreditation for Community Integration	Survey completed and accreditation awarded	Chief Executive Officer	[DATE]	Consultant, staff time, manual purchase, survey fee
2	[GOAL]	[OBJECTIVE WITH A NUMBER]	[POSITION]	[DATE]	[RESOURCES]
3	[GOAL]	[OBJECTIVE WITH A NUMBER]	[POSITION]	[DATE]	[RESOURCES]
4	[GOAL]	[OBJECTIVE WITH A NUMBER]	[POSITION]	[DATE]	[RESOURCES]

6. How Progress Is Reviewed

Leadership reviews progress quarterly; Board of Directors reviews at least annually. Each review is recorded in the minutes with the date, who was present, which objectives are on track, which are not, and what will change.

Review	Date scheduled	Date completed	Recorded in
Q1 leadership review	[DATE]		Leadership minutes
Q2 leadership review	[DATE]		Leadership minutes
Q3 leadership review	[DATE]		Leadership minutes
Q4 / annual review	[DATE]		Board of Directors minutes

7. Communication

A plain-language summary of this plan is given to personnel and to persons served by [DATE], and the distribution is documented.

8. Approval

Approved by Board of Directors on [DATE], recorded in the minutes of that meeting.

Risk Management Plan

CARF area	Review cycle	Approved by
1.G	Reviewed and updated at least annually	Chief Executive Officer

1. Purpose and Scope

This plan identifies the risks facing Example Peer Recovery Services, Inc., evaluates them, states what is being done about each, and records how they are financed through insurance. It covers every service, site, and vehicle, and every setting in which service is delivered, including the community and the homes of persons served.

2. Sources Reviewed to Identify Risk

Business Continuity and Emergency Operations Plan

CARF area	Review cycle	Approved by
1.G / 1.H / 1.J	Reviewed annually and tested at least annually	Chief Executive Officer

1. Purpose

To keep persons served safe and services operating during an event that disrupts normal operations, and to return to normal in an orderly way.

2. Essential Functions, in Priority Order

Priority	Function	Maximum tolerable downtime	Who performs it	Where it can be performed from
1	Contact and welfare check of persons served at risk	24 hours	[FILL IN: Program Director name]	Anywhere with a phone
2	Crisis response and warm hand-off	Immediate	Direct staff	Anywhere
3	Access to records of persons served	48 hours	Chief Executive Officer	the electronic health record from any device
4	Service delivery (may be by phone)	72 hours	Direct staff	Community or telephone

Safety Officer	[FILL IN: Safety Officer]	[PHONE]	[ALT]	[BACKUP]
All staff	See roster			

Staff are contacted in an emergency by [METHOD - e.g. group text then phone tree]. Every staff member must acknowledge receipt.

4. Prioritizing Persons Served

Persons served are tiered in advance so that outreach happens in the right order. Tiering is reviewed at each plan review.

Tier	Definition	Contact within
1	Recent crisis, high risk, unstable housing, medically fragile, lives alone	24 hours
2	Active service, stable	72 hours
3	Low intensity or nearing transition	7 days

5. If the Office Is Unavailable

Relocation site: [NAME, ADDRESS, PHONE]. Staff report to [LOCATION OR "work remotely"]. Services continue by [METHOD].

6. If the Record System Is Unavailable

1. Notify the Chief Executive Officer and the vendor; log the start time.
2. Switch to the paper Downtime Service Log, kept at [LOCATION].
3. Deliver and document service on paper, using the same content requirements.
4. When the system returns, enter paper documentation within [NUMBER] business days, marked as a late entry with both dates.
5. Retain the paper originals per the Records Retention Schedule.

7. If Staffing Falls Below Minimum

Minimum staffing to operate safely: [NUMBER] direct staff and one supervisor. Below that: [WHAT IS SUSPENDED FIRST], [WHO IS CALLED IN], [WHEN PERSONS SERVED AND PAYERS ARE NOTIFIED].

8. Vital Records and Access

Item	Where it lives	Who has access (min. 2)

Performance Measurement and Management Plan

CARF area	Review cycle	Approved by
1.M	Reviewed at least annually	Chief Executive Officer

1. Purpose

This plan states what Example Peer Recovery Services, Inc. measures, how, how often, and what good looks like. Set targets you can actually hit and defend. A target you invented and missed is worse than a modest one you met.

2. Service Delivery Measures

2.1 Effectiveness — did the person get what they came for

#	Measure	Numerator / Denominator	Source	Frequency	Target	Owner
E1	Persons achieving at least one plan goal	# achieving ≥1 goal / # discharged	the electronic health record	Quarterly	[%]	[FILL IN: Quality Improvement Coordinator]
E2	Persons with increased natural supports	# with more unpaid supports at review than admission / # reviewed	Natural Supports Map	Quarterly	[%]	[FILL IN: Quality Improvement Coordinator]
E3	Persons obtaining or maintaining housing	# housed at discharge / # with a housing goal	the electronic health record	Quarterly	[%]	[FILL IN: Quality Improvement Coordinator]
E4	Persons obtaining employment or education	# employed or enrolled at discharge / # with that goal	the electronic health record	Quarterly	[%]	[FILL IN: Quality Improvement Coordinator]
E5	Persons reporting improved quality of life	# improved / # surveyed	Survey	Annually	[%]	[FILL IN: Quality Improvement Coordinator]

2.2 Efficiency — resources used per result

#	Measure	Numerator / Denominator	Source	Frequency	Target	Owner
F1	Average length of service to goal achievement	Total days / # achieving a goal	the electronic health record	Quarterly	[DAYS]	[FILL IN: Quality Improvement Coordinator]
F2	Scheduled contacts kept	# kept / # scheduled	the electronic health record	Monthly	[%]	[FILL IN: Program Director name]
F3	Caseload per peer specialist	# active persons / # direct FTE	the electronic health record	Monthly	≤ [N]	[FILL IN: Program Director name]
F4	Cost per person served	Total program cost / # served	Financials	Annually	[\$]	Chief Executive Officer

2.3 Service Access — can people get in

#	Measure	Numerator / Denominator	Source	Frequency	Target	Owner
A1	Days from referral to first contact	Mean days	Referral log	Monthly	≤ 3	[FILL IN: Program Director name]
A2	Days from first contact to signed plan	Mean days	the electronic health record	Monthly	≤ 30	[FILL IN: Program Director name]
A3	Referrals engaged	# with ≥2 contacts / # referred	Referral log	Quarterly	[%]	[FILL IN: Program Director name]
A4	Persons on waitlist and mean wait	Count; mean days	Waitlist log	Monthly	[N]; [DAYS]	[FILL IN: Program Director name]

2.4 Satisfaction — what people say

#	Measure	Numerator / Denominator	Source	Frequency	Target	Owner
S1	Overall satisfaction of persons served	# satisfied or very satisfied / # responding	Survey	Annually	[%]	[FILL IN: Quality Improvement Coordinator]
S2	Would recommend the service	# yes / # responding	Survey	Annually	[%]	[FILL IN: Quality Improvement Coordinator]
S3	Survey response rate	# responding / # invited	Survey	Annually	[%]	[FILL IN: Quality Improvement Coordinator]
S4	Stakeholder satisfaction	# satisfied / # responding	Survey	Annually	[%]	[FILL IN: Quality Improvement Coordinator]

2. Results Against Target

Copy every measure from the Performance Measurement Plan. Do not omit a measure because it looks bad — an omitted measure is the first thing a surveyor notices.

Measure	Target	Q1	Q2	Q3	Q4	Year	Met?	Prior year
E1 Goal achievement	[%]						[Y/N]	[%]
E2 Natural supports increased	[%]						[Y/N]	[%]
E3 Housing	[%]						[Y/N]	[%]
E4 Employment / education	[%]						[Y/N]	[%]
F1 Length of service to goal	[DAYS]						[Y/N]	[DAYS]
F2 Contacts kept	[%]						[Y/N]	[%]
A1 Referral to first contact	[DAYS]						[Y/N]	[DAYS]
A3 Engagement rate	[%]						[Y/N]	[%]
S1 Satisfaction	[%]						[Y/N]	[%]
B2 Denial rate	[%]						[Y/N]	[%]
B3 Note timeliness	[%]						[Y/N]	[%]
B8 Grievances within 30 days	100%						[Y/N]	[%]
